

PROTECT YOUR VISION.

HERE'S HOW:

- 1 Always wear safety glasses when required!
- 2 Make sure your safety glasses fit properly.
- 3 Wear safety glasses when working with power tools or chemicals.
- 4 Clean your safety glasses regularly to ensure they are in good condition.
- 5 Wear your safety glasses!
- 6 Have prescription safety glasses fitted with proper side shields.
- 7 Wear glasses that provide proper UV protection.
- 8 Get medical attention immediately if you have an injury.
- 9 And most importantly... **Wear your safety glasses!**

YOU WILL RECEIVE A BRIDGEMART PAYMENT CARD FROM YOUR HR SAFETY MANAGER.

USE IT TO PAY FOR YOUR PRESCRIPTION SAFETY GLASSES AT WALMART.
